The Shower
est un *pulp magazine* (publication à bon marché)
paru aux États-Unis dans la première moitié du XXe siècle.

Dans la prude Amérique des années 1920 à 1960, les éditions populaires à caractère érotique ou pornographique étaient vendues sous le manteau. Pour tromper les brigades des bonnes mœurs, elles étaient souvent vendues insérées dans un exemplaire de la Bible (d'où leur appellation courante de « Tijuana Bible ») – ce que permettait leur petit format et le nombre limité de leur page.
